SUMMARY

Computer Science student at Syddansk Erhvervsakademi with experience in .NET, C#, and React. Interested in backend development, CI/CD, and software architecture. Seeking an IT internship starting August 2026.

TECHNICAL SKILLS

Programming Languages: C#, Java, JavaScript, TypeScript
Frameworks: .NET, ASP.NET Core, React
Tools: Git (GitFlow, rebasing, feature branches), Docker, CI/CD

PROJECTS

AEC Hackathon – Socialware (Urban Analysis Tool)

Copenhagen, Denmark | March 2026

- Collaborated in a team to develop an AI-assisted geospatial analysis tool using real-world datasets
- Supported backend setup using .NET (C#) and Docker
- Assisted in running and testing frontend components using Node.js
- Contributed to improving code structure by suggesting separation of concerns and

use of React hooks.

- Participated in system design discussions and problem-solving during rapid development
- Presented the final solution at the end of the hackathon

3RD SEMESTER PROJECT – DEAD PIGEONS

(FULLSTACK WEB APP) SEA | 2025

- *Built REST API using ASP.NET Core and C#*
- *Designed and implemented REST API endpoints for application features.*
- *Applied GitFlow with feature branches, pull requests, and rebasing.*
- *Contributed to debugging, testing, and system integration.*

JAVA TEXT ADVENTURE GAME - Merman in danger

(Academic project) | Java | 2024

- Refactored and extended a text-based adventure game based on the World of Zuul architecture.
- Improved project structure by separating game logic into multiple classes (Game, Parser, Command, Room, Item).
- Implemented object-oriented design principles such as encapsulation and modular class responsibilities.
- Developed command parsing and game state management for player interaction.

EDUCATION

Syddansk Erhvervsakademi (SEA), Esbjerg, Denmark

2024 - 2027

AP Computer Science Programme

Colegio de Bachillerato ING. JOSE CORSINO CARDENAS

Pasaje, Ecuador

2015 - 2021

Sciences Baccalaurate

LANGUAGES

Spanish: Native
English: Fluent
Danish: Beginner (currently enrolled in Danish education)

EXPERIENCE

Frontliner

HomeRun, Esbjerg, Denmark | November 2025 - Present

Supported daily operations in a team environment.

Frontliner

Proud Mary Pub, Copenhagen, Denmark | February 2023 - 2025

Worked in a high-paced service environment.

Collaborated with team to ensure smooth daily operations.

Bartender

Roskilde Festival | June 2024

Worked in a high-volume event environment.

Managed payments with accuracy.

Collaborated with team under time pressure.

Crew Member

***SSP UK & Ireland - Burger King | Dublin Airport, Dublin, Ireland
April 2022 - June 2022***

Worked in a fast-paced environment serving high customer volumes.

Ensured product quality and adherence to food safety standards
